Compliance with structural Requirements	
Confidence in Management / Control Procedures	
If you consider that the rating does not fairly reflect the standards found at the time of your inspection you may lodge an appeal with the Principal Environmental Health Officer. If you make improvements to hygiene standards after your inspection and want to explain this to customers you can use the "right to reply" option available and or/ request a revisit to reassess the hygiene standards. Information on all these options is given over the page.
