

Email 31 August 2016 from the Council to Programme Officer

From: Phil Megson (phil.megson@eden.gov.uk)

To: Tony Blackburn (Tony.Blackburn@eden.gov.uk)

Tony,

At the July Hearings the Inspector considered that identifying a Green Infrastructure Network to be a “fundamental piece of work”. The Inspector requested that this work is undertaken prior to the adoption of the Local Plan.

I confirm that this work will be undertaken as requested.

Kind regards,

Phil
