Eden Local Plan Examination Wednesday 14 September

The Inspector has asked me to repeat the invitation for a representative from the County Council to participate in Wednesday's hearing session which as you know will be devoted to an examination of particular sites.

He expects to have particular questions relating to the County Council's representations and to ensure that sufficient weight is given to these it would be very beneficial for an appropriate member of your team to participate at the hearing.

If some of the earlier concerns contained within the representations have now been satisfied the Inspector questions whether any of these may now be formally withdrawn.

I would be grateful if you could liaise internally with colleagues with a view to encouraging a presence on Wednesday.

We have had a separate discussion regarding your kind assistance on the subject of Infrastructure requirements and the Inspector would indeed welcome your focussed input at Monday's session where we have reserved some time for this topic at 2.00pm. I'll hope to see you then when perhaps we can update on the topic above.

Thank you.

Tony
