

## Email 22 September 2016 from Council re Rolling averages of housing completions

**From:** Kayleigh Lancaster

**Sent:** 22 September 2016 10:22

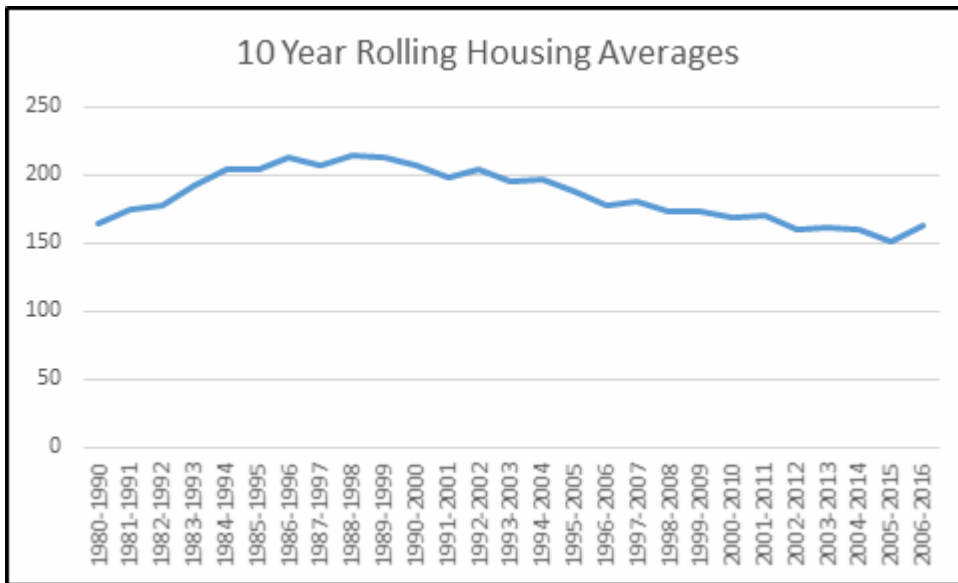

**To:** Tony Blackburn

**Subject:** Re: Eden Local Plan - Further Submission to the Inspector

Hello Tony,

Please see below a table and a graph containing 10 year rolling averages of housing completions:

| <b>Ten Year Period</b> | <b>Average Rate of Housing Delivery</b> |
|------------------------|---|
| 1980-1990              | 165                                     |
| 1981-1991              | 175                                     |
| 1982-1992              | 178                                     |
| 1983-1993              | 193                                     |
| 1984-1994              | 205                                     |
| 1985-1995              | 205                                     |
| 1986-1996              | 213                                     |
| 1987-1997              | 208                                     |
| 1988-1998              | 214                                     |
| 1989-1999              | 213                                     |
| 1990-2000              | 207                                     |
| 1991-2001              | 199                                     |
| 1992-2002              | 204                                     |
| 1993-2003              | 196                                     |
| 1994-2004              | 196.6                                   |
| 1995-2005              | 187.6                                   |
| 1996-2006              | 178.4                                   |
| 1997-2007              | 180.9                                   |
| 1998-2008              | 173.7                                   |
| 1999-2009              | 174                                     |
| 2000-2010              | 168.4                                   |
| 2001-2011              | 170.3                                   |
| 2002-2012              | 160.4                                   |
| 2003-2013              | 161.1                                   |
| 2004-2014              | 160                                     |
| 2005-2015              | 151.9                                   |
| 2006-2016              | 162.9                                   |

Please let me know if the Inspector requires any further information.

Kindest regards,

Kayleigh Lancaster  
 Planning Officer (Policy)
