Further to your email below. Please find below the County Councils' reply to EDC response to its representations.

ID 140. Accept. Subsequent reviews of the Local Plan should consider locations and levels of growth which may arise as a consequence of the implementation of the priorities identified in the Cumbria LEP's Strategic Economic

Plan. Further study work would be required to provide the evidential need to support potential levels and locations of future sustainable growth.

Subject: Eden Local Plan 2014-32 - Responses to Representations

Dear Sir/Madam,

Eden Local Plan 2014-32 - Responses to Representations

I am contacting you regarding the representations you made to the Eden Local Plan 2014-32 (Regulation 19) Consultation in November 2015.

In response to all representations received during this consultation stage, the Council published a statement which is intended to assist the Inspector in determining where there are areas of common ground or disagreement.

The Responses to Representations Statement (EL1.003) can be viewed here:

<https://www.eden.gov.uk/planning-and-building/planning-policy/eden-local-plan/eden-local-plan-examination/eden-local-plan-examination-library/items-added-prior-to-the-start-of-the-hearings/>

The Council agreed with a number of representations and has therefore requested either that modifications be made through the Main Modifications document (AD02) or has indicated in the above statement that the requested amendments have been accepted.

The Council considers that it has addressed the following representations that you submitted:
