Blowing

Circle Of Stones
Whispering Long Meg

Meg and her daughters all-alone
Super spiral
Rough rocks
Cold rocks
Swirling whirling wind
Chattering chitterling people
Having fun all day long

HELP!
I'M
Cold!

Markings and Spirals
Spirals pump through
My body
Thoughts float
Through my veins.

"I love you all"

Spiral on Long Meg
Drawn by the wizards children
After he cursed her

Feeling her Spirit
Talking to me through her cage
Saying help me please

BLUE BIRDS ARE SINGING
SPIRALS OVERTAKE THE ROCK
WE CLIMB ON GREY STONES

AMAZING PATTERNS
BIRDS ARE TWEETING
MUD AROUND
EVERYWHERE

Stone circle, spirits calling
A deep sigh, a sudden rush
All comes back to us

Spiral, Spiral, burning bright
Dreaming of forbidden light
Lost souls marking lives

Trapped, caged and broken
Souls spirits, monsters and devils
For hopes, dreams and lives

Witches Wizards
Dancing, celebrating, free!
Outsiders, alone

"I WANT YOU TO
HELP.
I WANT YOU TO
BREAK THE
Spell..."

Curly Whirly copper ring
Sitting on Long Meg.
Talking to me she said
'Don't save me,
Save my Daughters.'
