Subject: Eden Local Plan hearings 2-3 May Penrith and Kirkby Stephen

This email is addressed to participants at next week's hearing sessions at Penrith and Kirkby Stephen respectively.

I enclose various items for your attention:

1. Updated agenda for 2 May (Penrith) – agenda for 3 May Kirkby Stephen will follow on separate email.
2. Lists of anticipated participants who will be in attendance for respective days together with Council representatives (there may be modest changes as a small number of consultees have yet to respond).
3. The Council's responses to the Inspector's invitation to comment on the agenda items as supplied in my email of last Friday which also provided further information about the hearings (Examination library item EL4.062a via webpage below):

Sessions on each day will begin at 10.00am as previously advised. Please note, however, that the Kirkby Stephen day will include a resumption from 4.00pm to accommodate the contribution from some participants unable to attend earlier in the day.

Should your plans to attend change I would welcome your contact – please also feel welcome to get in touch if I can assist further.

I look forward to seeing you next week.

Thank you.

Tony
