

Email 010716 from Programme Officer to Representors

In my email of 30 June I indicated that I expected to have further documents from the Council available for circulation and in this respect I now attach the following items which will be added to the Examination webpage shortly:

- 1) The Council's Key Hub Discussion Paper which outlines the Council's approach to designating a reduced number of Key Hubs.
- 2) The Objectively Assessed Need Progress which outlines the Council's current progress on the OAN.
- 3) The Notes from the Key Hubs meeting held by the Council on the 8th of June (and the map that accompanies the meeting notes).

While writing, perhaps I could remind you of my desire for contact from those of you who wish to participate or attend the forthcoming hearings scheduled for 19-21 July, ideally by Monday 11th.

Thank you.

Tony
