Mr K Hutchinson  
Planning Policy Manager  
Eden District Council  
(via email)

3 July 2017

Dear Mr Hutchinson

Eden Local Plan Examination – Schedule of Main Modifications

Thank you for your letter of 3 July 2017 and the attached schedule of proposed Main Modifications that you consider to be necessary to make the above development Plan Document sound, together with the accompanying addenda to your Sustainability Appraisal and Habitats Regulations Assessment Statement.

I am writing to confirm my endorsement of them as a basis for you to proceed with the requisite public consultation. Please be aware that I will need to take into account the consultation responses before finally concluding whether or not changes along the lines that you have put forward, are required to enable the plan to satisfy the specified legal requirements and to make the plan sound.

Yours Sincerely  
Mel Middleton  
Inspector
