

Food Hygiene Rating Scheme: Request for a re-visit

FOOD HYGIENE RATING

Notes for businesses:

- As the food business operator of the establishment you have a right to request a re-visit for the purposes of re-rating if you have taken action to rectify the non-compliances identified at the time of inspection.
- There is no limit to the number of re-rating inspections you may request. However, to avoid paying for multiple re-rating inspections you should address issues before you submit a request. You can make this at any time after the statutory inspection provided that you have made the required improvements.
- You must provide details of the improvements made with your request, including supporting evidence where appropriate.
- If the local authority considers that you have provided sufficient evidence that the required improvements have been made a re-visit will be carried out within three months of the receipt of your request and payment of the fee.
- The local authority officer will give you a 'new' food hygiene rating based on the level of compliance that is found at the time of the re-visit - you should be aware that your rating could go up, down or remain the same.
- To make a request for a revisit, please use the form below and return it to the Lead Officer for Food. Contact details are provided below.
